You can help change a student’s life…

Support the Iowa Alumni Chapter Scholarship Fund

For many students, scholarships bridge the gap and make it possible for them to call Truman home. The Iowa Alumni Chapter is establishing a scholarship to help Truman students from our area. In the next few weeks, student callers from Truman will be contacting you during our annual Tel Alumni campaign. Please take a few minutes to visit with the students and then join the effort to endow the Iowa Alumni Chapter Scholarship by making a generous pledge. In addition to the personal tax saving your contribution may provide, you will be helping Iowa area students.
